through the turnstiles at the entrance to the ice rink. The visitor is refunded the price of the ticket minus the operational and material costs of the administration of the rink, which equals 50% of the ticket price.

Electronic ticket refund is possible no later than one hour before the session start time. 100% of the ticket price is refunded to the visitor.

Refund for the ticket returned at the ticket office is made upon the presentation of a written statement by the visitor. Cashless payments are transferred within 30 days of the acceptance of the written statement from the visitor.

In the event of loss of a ticket, the visitor has to provide a ticket receipt to the administration of the ice rink.

The opening times of the ice rink are split into hour-long sessions as per confirmed schedule. After each session, the ice surface is cleaned and treated for one hour. The time of cleaning and treatment of the ice surface can be changed by the ice rink administration depending on its condition, as well as for any other technical reasons. No visitors are allowed onto the ice rink during the cleaning and treatment sessions.

The start and the end of each session as well as the completion of the ice rink treatment are announced over the loudspeaker.

Only visitors who have paid for the entrance are allowed onto the ice rink. After a visitor has paid for the entrance, he/she is given a ticket and a receipt, or an electronic ticket when the purchase is made on the website. At the end of the session, the visitor should scan the ticket at the turnstiles to exit the ice rink.

Visitors are allowed to the ice rink upon presentation of a ticket on a first-come, first-served basis. There are no exceptions to this rule, including children of any age.

Visitors using skates that are not rented from the administration of the ice rink, use the ice rink and the related services (skate sharpening/storage lockers) in accordance with the general rules established by the administration.

The cost of skate rental that has been paid but not used by the visitor in time for the beginning of the session, for reasons beyond the control of the administration, will not be refunded.

No more than 250 people are allowed on the territory of the ice rink simultaneously. The territory of the ice rink refers to the ice field, skate rental area, changing area, recreation area and turnstiles.

Visitors move on the ice rink counterclockwise.

Only visitors in skates are allowed on the ice field, children from 3 to 7 years old must be accompanied by an adult with a ticket and skates. One adult can accompany only one child. The accompanying adult is responsible for the life and health of the child, as well as their adherence to the rules of conduct on the ice rink.

It is the visitor's responsibility to evaluate the safety level of skating, decide whether he/she should skate and bear the possible consequences and health risks related to his/her visit of the ice rink.
